

Wayzata Soccer Club Coaching Information Form

The purpose of this form is to provide the required information for the collection of coaching fees and the payment of coaches. The Wayzata Soccer Club (Club) cannot pay any coaching fees until this form (with all required information and a signed contract) has been submitted to the Club. A new form and contract are required for each season and/or coach.

Club guidelines call for coaches to receive payment at the midpoint of the season and end (generally May 15 / July 31). Details of these payments are documented in the contract between the coach and Club. The final payment is based on the coach fulfilling the requirements of the contract and requires approval of the team manager.

No coaching fees will be paid in advance of collecting the required funds from the team and the team is responsible for any shortfalls. Allow 7 working days for the clearing of all checks prior to payment. All coaching fees will be reported to the IRS as required and a Social Security Number (SSN) is required before payment can be made.
